DETAILED ACTION

Continued Examination Under 37 CFR 1.114

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on September 3, 2004 has been entered.

Response to Amendment

2. The Amendment, filed on September 3, 2004, has been entered and acknowledged by the Examiner.

EXAMINER'S AMENDMENT

3. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

IN THE SPECIFICATION:

After the title, insert:

"This application is a 371 application of PCT/JP00/02658 filed 04/24/2000."

Allowable Subject Matter

4. Claims 15-25 are allowed.
5. The following is an examiner's statement of reasons for allowance:

Regarding claims 15 and 25, the references of the Prior Art of Record fail to teach or suggest the combination of the limitations as set forth in the claims, and specifically comprising the limitation of "irradiating an electron beam onto the faceplate and onto the substrate".

Regarding claims 16-24, the claims are allowable for the reasons given in claim 15, because of their dependency status from said claim.

Also, Applicant's arguments, stated in Communication filed September 3, 2004, Page 8, first paragraph to Page 9, first paragraph, in light of the amendment, were persuasive.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
